## 2. Hosting and infrastructure

The technical infrastructure and data storage of the Application are provided by Firebase (Google LLC).

Services used include:

Firebase Authentication  
Firestore (cloud database)  
Firebase Storage

Data is hosted in Google data centers compliant with the GDPR, primarily located within the European Union, including Belgium, the Netherlands and Ireland.

Templier Studio remains fully responsible for the processing of personal data even when hosted by third-party providers.

## **3. Terms of use**

The use of the Application implies full acceptance of the Terms of Use available within the Application.

## **4. Personal data**

Templier Studio complies with applicable data protection laws, including the General Data Protection Regulation (GDPR).

### **4.1 Types of data collected**

The Application may collect the following information:

email address or third-party identifier (Google or Apple)

profile data such as pseudonym, country and preferences

internal statistical information related to the use of the Application

technical data including device model, operating system, language and application logs

### **4.2 Legal basis for processing**

Certain information entered in the Application may relate to the user's intimate life and may therefore be considered sensitive data under Article 9 of the GDPR.

The processing of such data relies exclusively on the explicit consent of the user.

Users may withdraw their consent at any time.

Withdrawal of consent results in the immediate and permanent deletion of the associated data.

### **4.3 Purpose of data processing**

Personal data may be processed for the following purposes:

providing and maintaining the Application

enabling access to entertainment features such as statistics and preferences

improving the user experience

conducting anonymized statistical analysis

### **4.4 User rights**

In accordance with Articles 15 to 22 of the GDPR, users may exercise their rights to:

access their personal data

rectify inaccurate data

request deletion of their data

restrict data processing

request data portability  
withdraw consent

Requests can be sent to:

contact@secretmap.templierstudio.com

## 5. Security and compliance

Data is securely stored using Firebase services provided by Google LLC in GDPR-compliant data centers.

Technical and organizational measures are implemented to ensure:

data confidentiality  
data integrity  
data availability  
data traceability

A Data Protection Impact Assessment (DPIA) has been conducted in accordance with Article 35 of the GDPR.

## 6. Important notices

### Restricted to adults

The Application is strictly intended for users aged 18 years or older.

Any attempt to bypass this rule, including providing false age information or identity impersonation, may result in immediate account deletion.

### No explicit content

Secret Map strictly prohibits any sexually explicit, pornographic or suggestive content.

The Application does not allow users to upload images, photos or videos.

Any violation of these rules may result in the immediate and permanent banning of the account.

### No matchmaking service

Secret Map is neither a social network nor a dating application.

The Application does not provide:

any messaging system  
any automatic user suggestions

Friend and duo features rely solely on voluntary connections using a unique code.

## **7. Disclaimer of liability**

Templier Studio cannot be held responsible for:

the accuracy or truthfulness of information entered by users  
decisions or actions resulting from the use of the Application  
conflicts arising from the "duo" feature  
misuse of the Application in violation of the Terms of Use

However, the liability of Templier Studio cannot be entirely excluded and may apply in cases of serious breach of security, confidentiality or legal compliance obligations.

The Application is provided for entertainment and informational purposes only and does not constitute a medical, therapeutic or matchmaking service.

## **8. Security, moderation and reporting**

Automated tools and human moderation may be used to detect and remove illegal or abusive content.

Templier Studio reserves the right to:

deny access to any user violating the Application rules  
suspend or delete accounts with or without justification  
temporarily retain information necessary to establish evidence of violations

The Publisher cooperates with competent authorities and fulfills legal obligations related to reporting serious offenses.

## **9. Intellectual property**

All elements of the Application including interface design, logos, graphics, texts, algorithms, databases and source code are protected by French and international intellectual property laws.

These elements are the exclusive property of Templier Studio.

Any reproduction, distribution or use, in whole or in part, without prior written authorization is strictly prohibited.

## **10. Governing law and jurisdiction**

This Legal Notice is governed by French law regardless of the place where the Application is used.

Any dispute relating to the interpretation or execution of this document shall be subject to the exclusive jurisdiction of the courts of Bayonne, unless mandatory legal provisions state otherwise.
